Gold Investment in India

- Indians Love PHYSICAL GOLD. Current private holdings are more than 25,000 tones held in form of jewellery, Coins and Bars.
- Investment in Gold is in the Indian Culture.
- Gold is a form of storing wealth.
- Traditionally, Indians bought gold in the form of jewellery that served dual purpose of Jewellery as well as investment.

Different Ways To Invest In Gold

Physical Form

- Gold Bars
- Medallions
- Gold Jewellery

Non-Physical Form

- Gold Exchange Traded Funds (Gold ETFs)
- Gold Mutual Funds
- NSEL E-GOLD

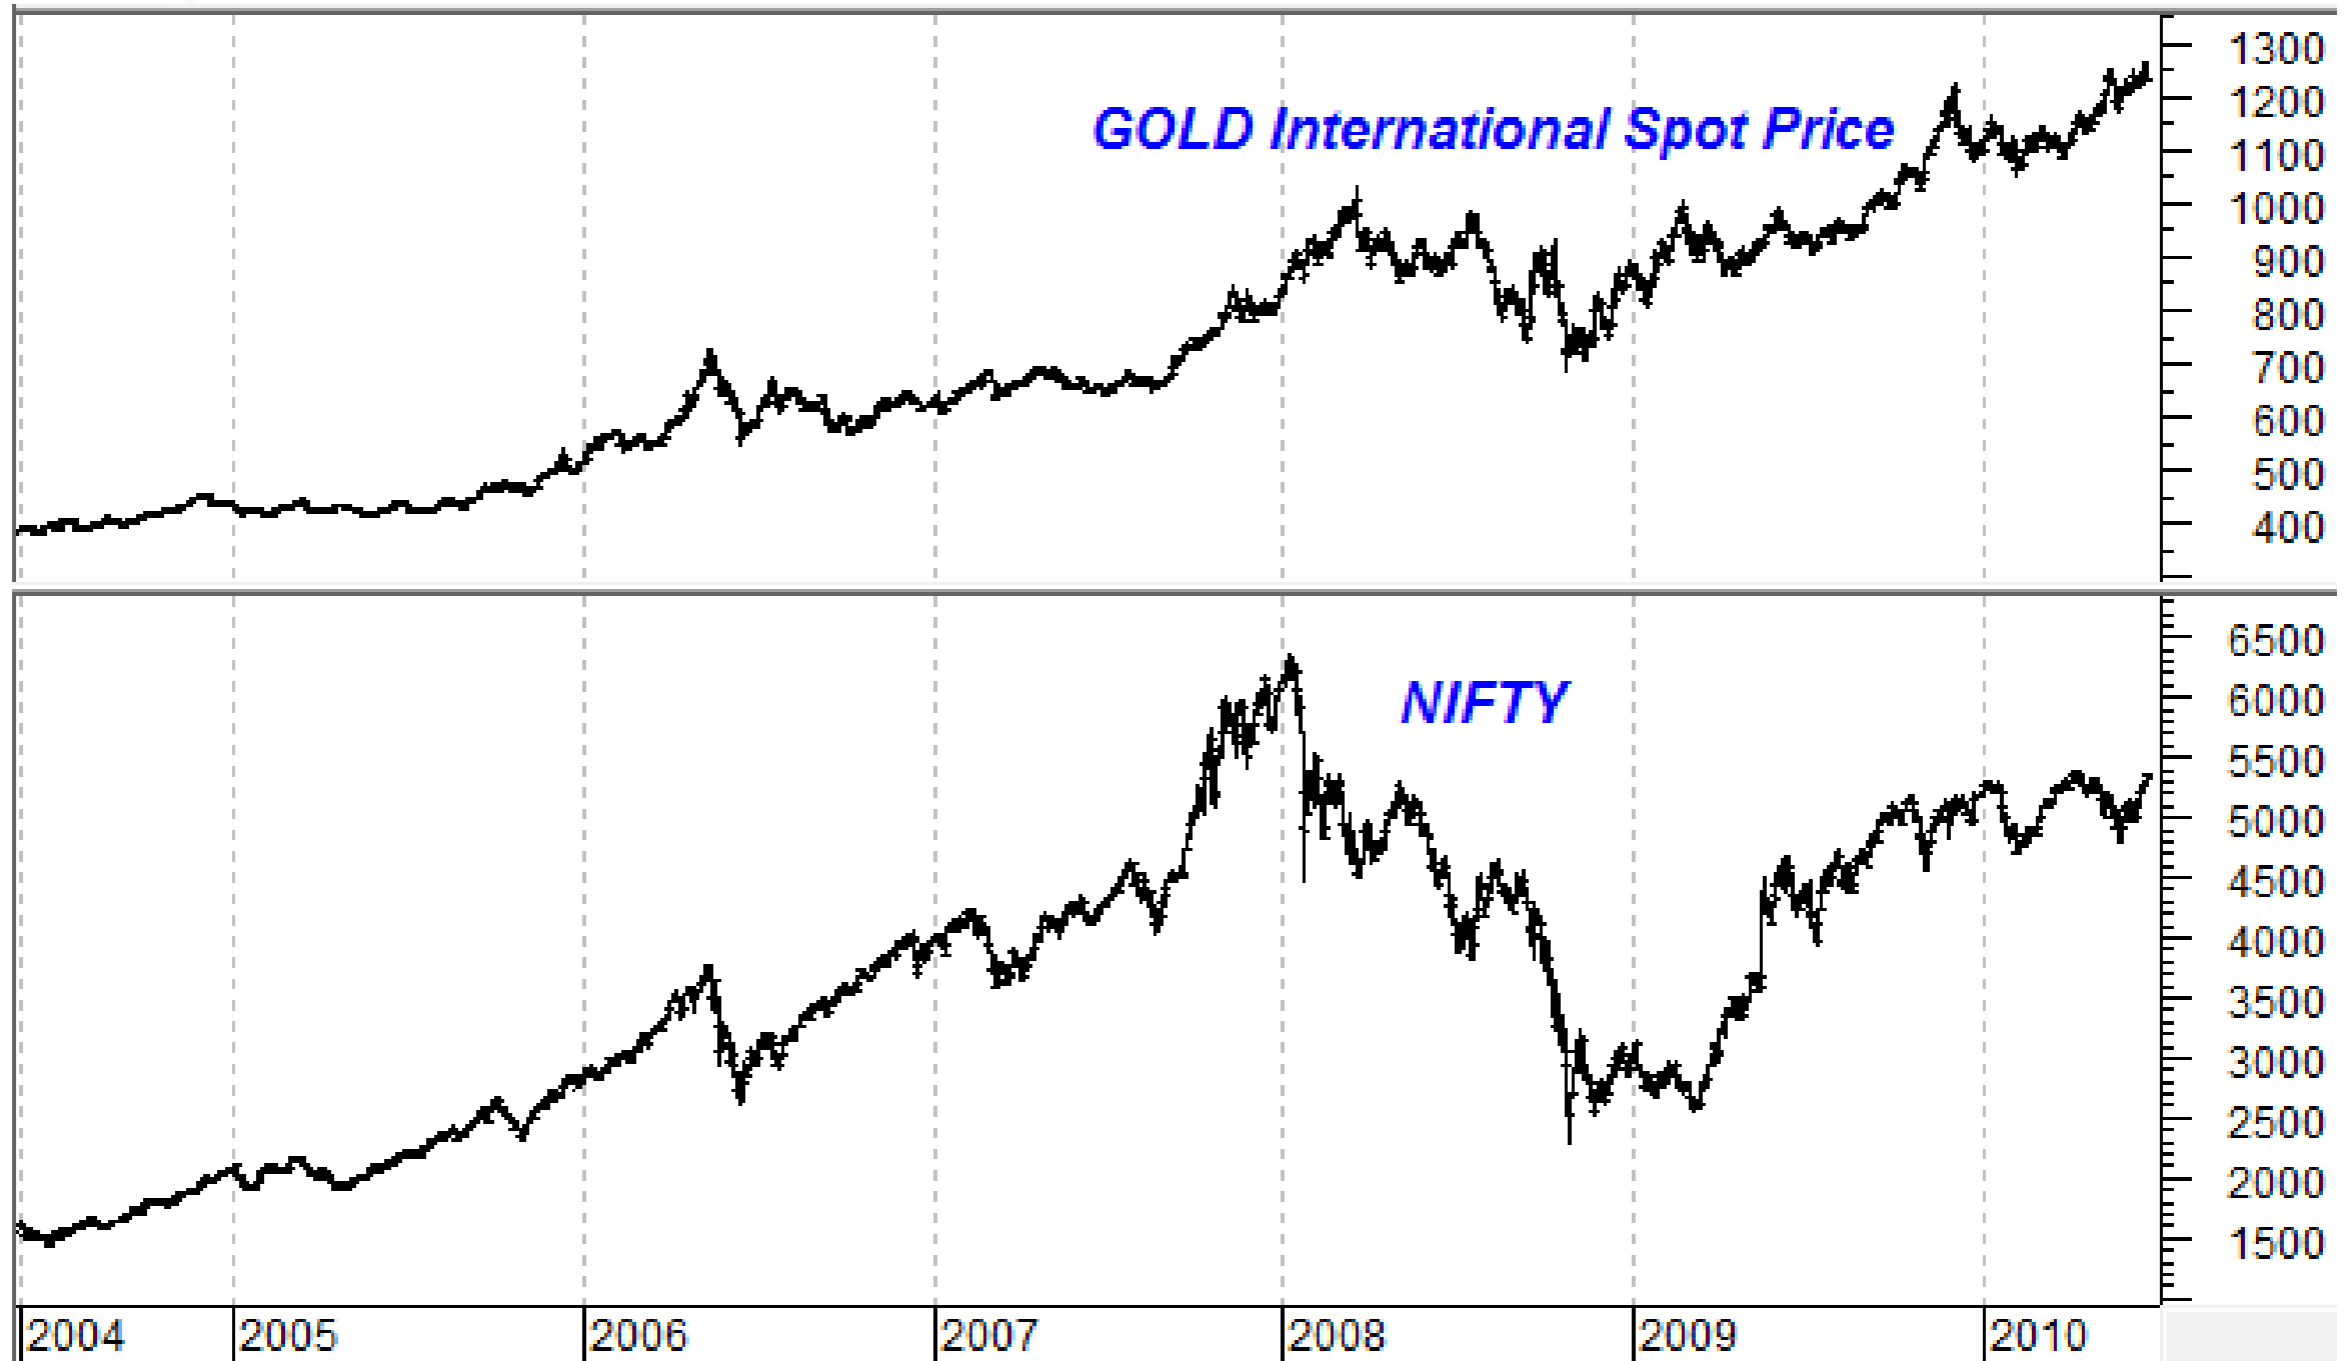

Demat Gold Vs. Physical Gold

- **Safety**
It's like keeping cash at Bank than keeping at home.
- **Liquidity**
Given the comfort of easy liquidity, reach, safety, low cost, transparent pricing and seamless entry and exit, the mass will prefer holding demat gold instead of gold coin or jewellery at home.
- **Access**
Access to a centralised platform for buying and selling Gold / Silver and taking delivery thereof was not this much easy and transparent previously.

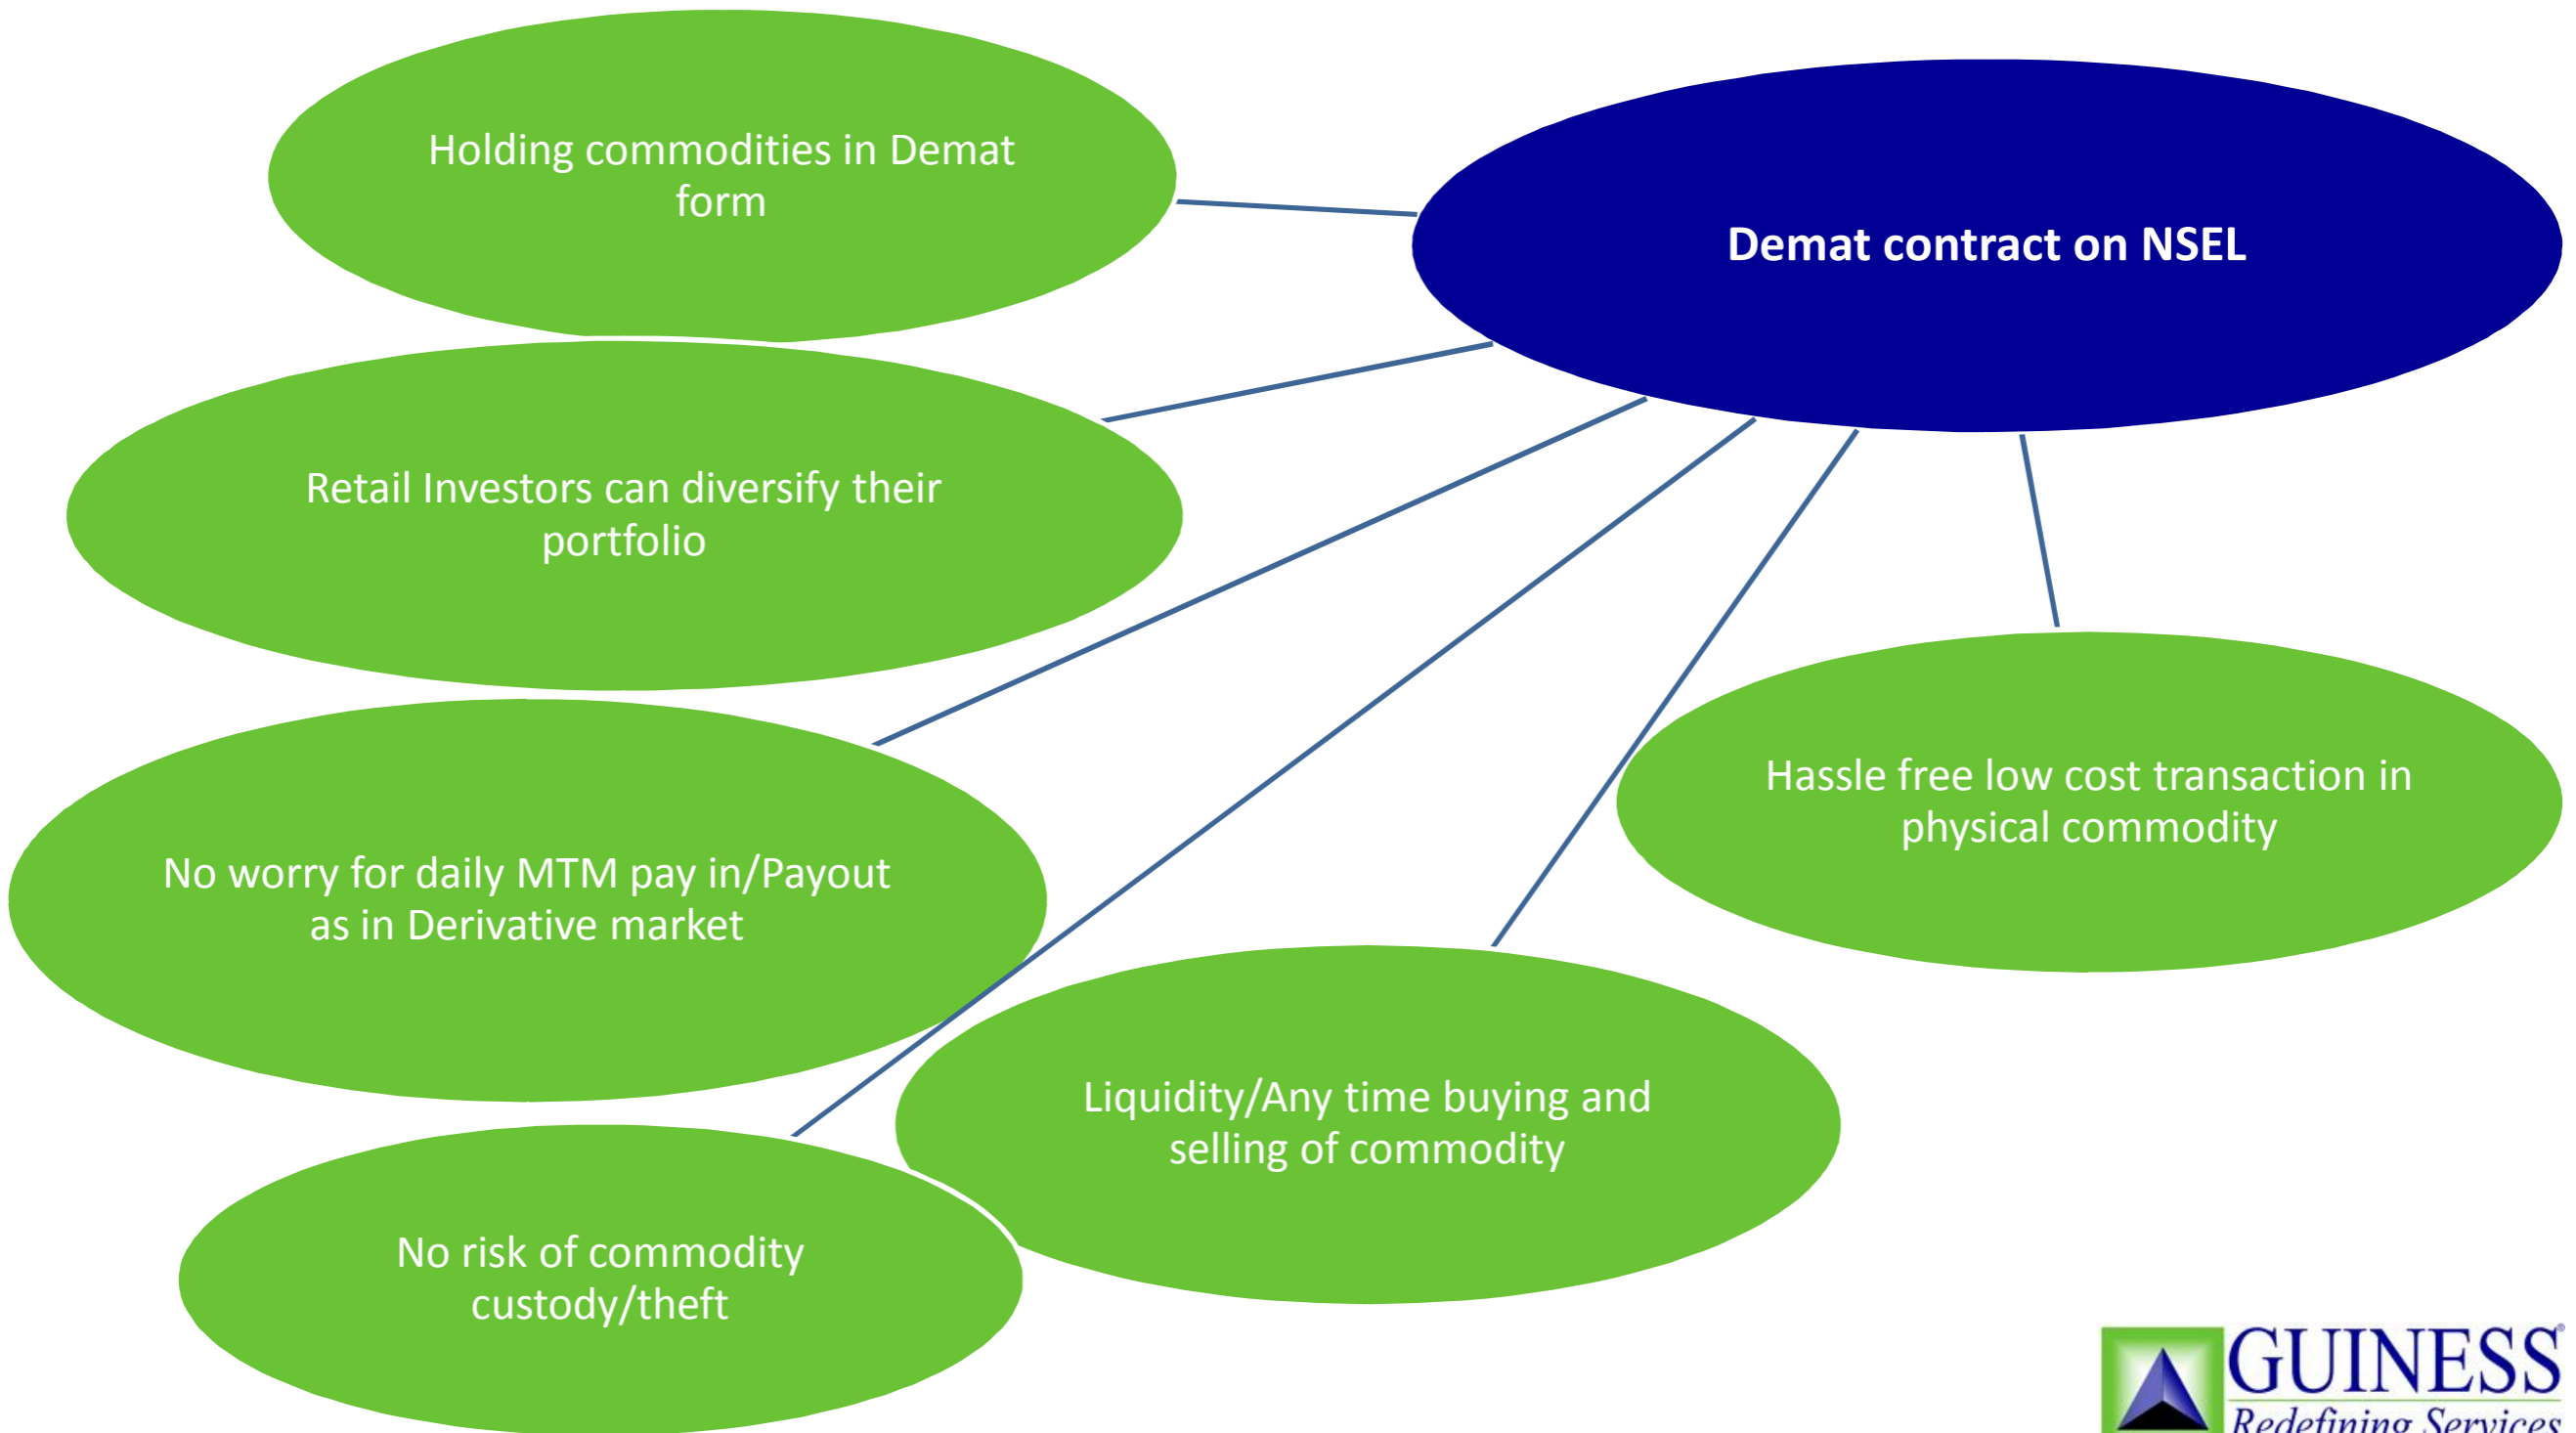

STABILITY - Gold Vs NIFTY

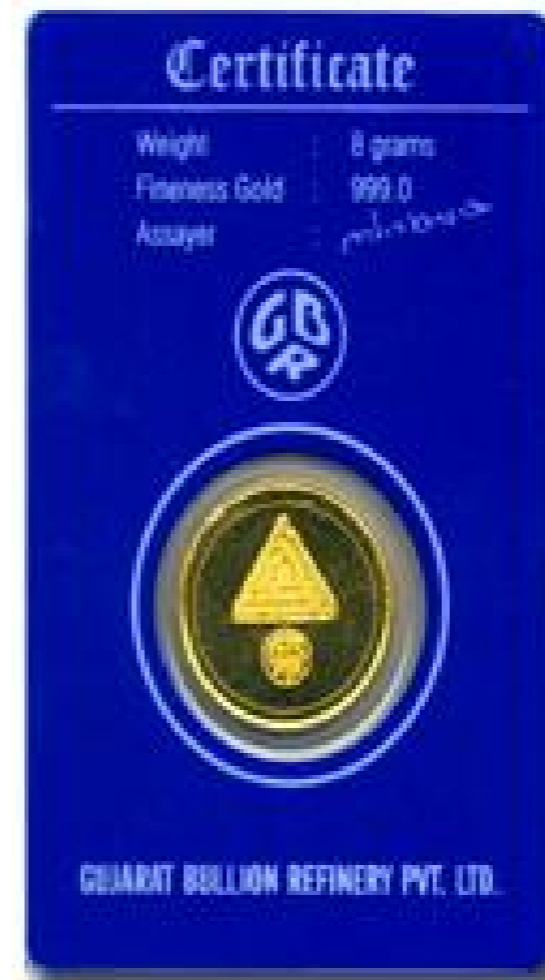

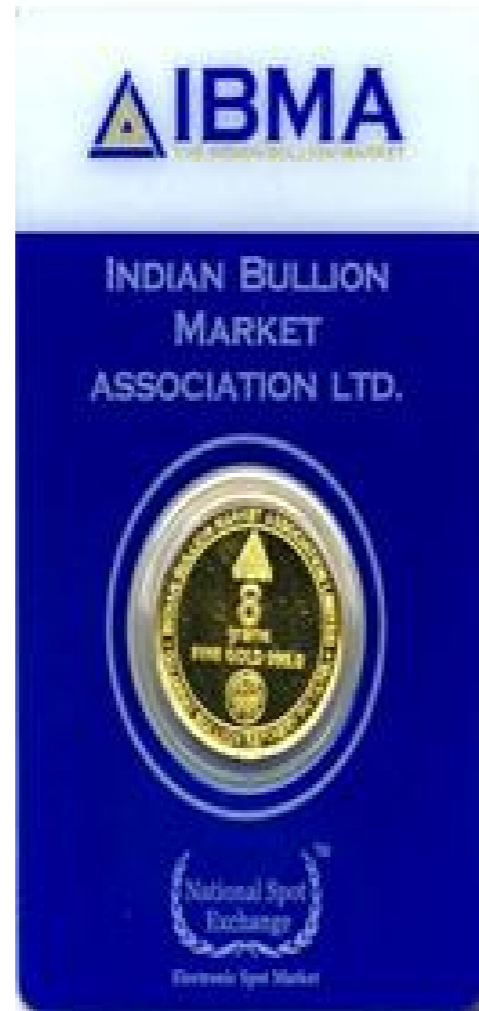

Advantages - Commodity Demat Contract Trading

Specimen of Physical Gold Coin : 8Grams.
